

**SECOND AMENDMENT AFTER FINAL**  
**U.S. Appln. No. 09/915,543**

**REMARKS**

In the Advisory Action, the Examiner states that Applicants' Amendment After Final is sufficient to overcome the rejection of Claims 71, 73, 75 and 77 under 35 U.S.C. § 102(e) over Tang et al and the rejection of Claims 71, 73, 75 and 77 under 35 U.S.C. § 112, first paragraph. However, the Examiner maintains the rejection of Claims 79-82 under 35 U.S.C. 112, first paragraph, for the reasons set forth in the Office Action of November 30, 2004.

In order to advance prosecution, Applicants hereby cancel Claims 79-82, thereby rendering moot the Examiner's only outstanding rejection. This amendment is being carried out without prejudice or disclaimer to pursue the cancelled subject matter in a continuing application. Accordingly, the Examiner is requested to pass the case to issuance.

The Examiner is invited to contact the undersigned at his Washington telephone number on any questions which might arise.

Respectfully submitted,
